A big thank you to Eleanor Mattley Productions for coming to sing for us, for the second time. We had a blast singing and dancing to our favourite Christmas songs! She will be back at Easter.

We had a great time in 2021 with the activities back up and running. We hope you all had a lovely Christmas and New Year. Here is to 2022!

Pancake day was definitely a hit especially with Miss IP and LP.

Wendy has been running our cooking group every Wednesday. We have been cooking some delicious meals for our lunch such as cottage pie, pizza and our very own vegetable soup.
